Pri-markets Bonus Agreement

IMPORTANT: Before accepting any bonus from **Pri-markets**, the client must read, understand, and accept the provisions of this Bonus Agreement.

---

1. Introduction

This Bonus Agreement governs all bonuses issued to clients in connection with their use of **Pri-markets** services.

By signing this Agreement, the client confirms the following:

1.1. This document must be read in conjunction with the **Terms and Conditions** and **Risk Disclaimer** accepted by the client during the account registration process.

1.2. Upon receiving a bonus, the client acknowledges that the **turnover requirement** of the trading account will be affected as outlined below.

1.3. Bonus funds are intended strictly for trading purposes.

---

2. Definitions

- **Bonus Agreement**: This document, which supplements the main Terms and Conditions of Pri-markets, outlines all provisions related to bonuses.
- **Terms and Conditions**: The official terms published on the Pri-markets website.
- **Required Number of Lots**: The minimum trading volume a client must reach to withdraw funds without incurring additional fees.

- **Trading Balance**: Total funds in the client's account, calculated as:
  Deposits + Bonus (if applicable) + Net Trading Profits.

- **Withdrawal Balance**: The amount available for withdrawal, subject to conditions outlined in this agreement.

---

3. Eligibility

3.1. Bonus offers are valid only for the stated period, unless specified otherwise.

3.2. Pri-markets may offer different bonus schemes and trading benefits at its sole discretion.

3.3. Pri-markets reserves the exclusive right to approve or deny any bonus offer to a client.

3.4. Clients have the right to accept or decline any bonus offer.

3.5. A bonus is deemed accepted once the client returns a signed copy of this agreement.

3.6. Bonuses are issued only in **USDT**, the standard denomination of the client's trading account.

---

4. Withdrawals and Fees

4.1 Turnover Requirement

- **Required Number of Lots = Bonus Amount × 0.5**

- *One lot* equals **100,000 units** of the trading currency.

Once the required number of lots is met, the withdrawal balance will equal the **total of deposits, bonus, and profits**.

4.2 Scalping Restriction

- Trades under 5 minutes may be canceled.

- Accounts may be suspended pending review by the Risk Committee.

4.3 Early Withdrawal with Substantial Bonus

If the bonus equals or exceeds 50% of the deposit and the client has not reached **(Required Lots ÷ 4)**:

- A **20% withdrawal fee** will apply.
- All **bonus funds and profits** will be **forfeited**.
- Losses will be deducted from the deposit.

4.4 Inactivity

If turnover equivalent to (Required Lots ÷ 4) is not achieved within **3 months**, the bonus may be **revoked**.

4.5 Loss Scenario

If losses occur and turnover is not met:

- Bonus becomes void.
- **Withdrawal Balance = Deposits − Losses**

4.6 Profit Scenario

If profits occur and turnover is not met:

- Bonus and profits are void.
- **Only the deposit is eligible** for withdrawal.

4.7 Cumulative Bonus Turnover

Each new bonus increases the turnover requirement proportionally.

4.8 Withdrawal Conditions

Withdrawals are only permitted when **no open trading positions** exist.

4.9 Examples

Example 1: Full Eligibility

- Deposit: 5,000 USDT
- Bonus: 2,000 USDT
- Traded Lots: 1,200 (meets requirement: 2,000 × 0.5 = 1,000)
- Profit: 10,000 USDT
- **Withdrawal Balance** = 17,000 USDT
- Withdrawing 5,000 USDT → 5% fee = 250 → Net: **4,750 USDT**

Example 2: Profit, But Turnover Not Met

- Deposit: 5,000 USDT
- Bonus: 1,000 USDT
- Traded Lots: 280 (requirement: 500 lots)
- Profit: 500 USDT
- **Withdrawal Balance** = 5,000 USDT (bonus and profits void)
- 5% fee → Net: **4,750 USDT**

Example 3: Loss, Turnover Not Met

- Deposit: 5,000 USDT
- Bonus: 2,000 USDT
- Traded Lots: 700 (requirement: 1,000 lots)
- Loss: 500 USDT
- **Withdrawal Balance** = 4,500 USDT

- 5% fee → Net: **4,275 USDT**

Example 4: Large Bonus, Early Withdrawal

- Deposit: 5,000 USDT
- Bonus: 2,500 USDT
- Traded Lots: 300 (requirement: 1,250 lots)
- Profit: 10,000 USDT
- **Withdrawal Balance** = 5,000 USDT (bonus and profits void)
- Withdrawal of 2,000 USDT incurs:
    - 5% standard fee = 100 USDT
    - 20% additional fee = 400 USDT
    - **Net Withdrawal** = 1,500 USDT

Example 5: Loss, Partial Turnover Met

- Deposit: 1,000 USDT
- Bonus: 1,000 USDT
- Traded Lots: 150 (requirement: 500 lots)
- Loss: 500 USDT
- **Withdrawal Balance** = 500 USDT
- No 20% fee as 150 > 125
- 5% standard fee → Net: **475 USDT**

5. Additional Provisions

5.1. Once the client's withdrawal balance reaches zero, Pri-markets reserves the right to close all open positions and cancel the bonus.

5.2. Pri-markets may suspend, cancel, or terminate any bonus or bonus program without prior notice in cases of:

- Failure to meet obligations
- Suspicion of abuse, manipulation, or fraud

Pri-markets will not be liable for any consequences resulting from such actions.
